SUB: Prayer for Construction of balance 550 Mts. road from the house of Mrityunjay Ghosh at Mittan Chak under 5 No. G.P. to Rishi Aurobindo Institute of Teachers' Education (B.Ed. College) via Baneswar Hembram at Satgeria, Panchkhuri under 6/1 G.P., Midnapore Sadar Block.

Respected Sir,

It is pleasure that the proposed construction of road from Panchkhuri Bus Stoppage to Rishi Aurobindo Institute of Teacher Education has been taken up by MKDA. Now it is seen from the DISPLAY BOARD that the works has been completed. But practically the works completed up to the house of Mrityunjay Ghosh and rest 550 Mts. (approx.) up to College has been untouched.

Sir, you are already aware that the condition of rest college road is not good. The students, professors, teachers of the college are facing trouble to move to the college. Frequently, the University, NCTE and Govt. Official also visit the college. The local people also always use this road.

Under these circumstances, I am requesting you to kindly look into this important issue and make necessary arrangement for completion of pending works from the house of Mrityunjay Ghosh to Rishi Aurobindo College at Satgeria for the interest of students, teachers and the people of the area who are mostly belong to SC & ST community.

Hope our submission will receive your kind and sympathetic consideration.
